### **INSURANCE**

Each year we provide outstanding dental care to hundreds of patients. Some have dental benefits but some don't. If you have Dental Benefits, congratulations! You are very fortunate. Here are some important things you should know:

- **Your dental benefits are based upon a contract between you and your employer and an insurance company. If you have questions regarding your dental benefits, please contact your employer or insurance company directly.**
- **Dental Benefits differ greatly from medical benefits. In 1959, most dental plans had a yearly maximum cap of \$1,000. Today most plans still have a benefit cap of \$1,000 even though your premiums have increased. Obviously dental insurance is in place to HELP you pay for your dental care. Dental Benefits are not meant to pay for completion of your dental care.**

We currently accept all private care insurance plans, which means we work with literally thousands of insurance companies. Plans change very rapidly, so it is impossible for us to give a guaranteed quote at any point in time. We **estimate** your portion based on the most up to date information we have. **Please note that your portion due may well be different from this estimate.**

We bill your insurance as a courtesy. If your insurance does not pay within 30 days, we reserve the right to request payment in full for services from you and let you collect the insurance funds that are due to you. This rarely happens, but it is important that you recognize that the insurance you have is a legal contract between you and your insurance company. Our office is not and cannot be a part of that legal contract. You are responsible for all charges you incur in our office.

Accounts overdue more than 90 days will be subject to a \$3.00 bookkeeping fee, and asses each month the account is overdue.

### **Missed Appointments**

Unless notified two business days in advance, you may be charged a \$50 missed appointment for any appointments not kept. Please help us serve you better by keeping your schedule appointments.

We welcome you to our family and look forward to helping you get the healthy, beautiful smile you've always wanted. If there is anything we can do to make your visits more pleasant, please let us know.
