

*Happy Thanksgiving*

**Dear,**

I love Thanksgiving. My kids all come home, and our house fills with family and friends. I make the turkey, complete with a stuffing recipe that has been handed down for generations in my family. We all overeat, laugh a lot, and treasure our time together.

While I've never met a turkey dinner I didn't enjoy, Thanksgiving is so much more than food, football and huge balloons in a parade. It is about taking a brief moment in our busy lives to pause and reflect on our many blessings.

One of the most wonderful gifts I receive every day is the privilege of being your dentist. Being a part of your life means more to me than I could ever express. So Thank You, for your trust in us, and for being a part of our dental family.

Have a wonderful Thanksgiving! And take a tip from a fellow who knows his way around a wish bone...wear loose fitting clothes...you'll thank me later!
